TRULY WORDS FROM THE OWNER OF THE ROFGO GULF CARS COLLECTION, IN THE PAST YEARS ONE OF THE MOST SIGNIFICANT ADDITIONS TO THE HISTORIC SPORTS CAR SCENE.

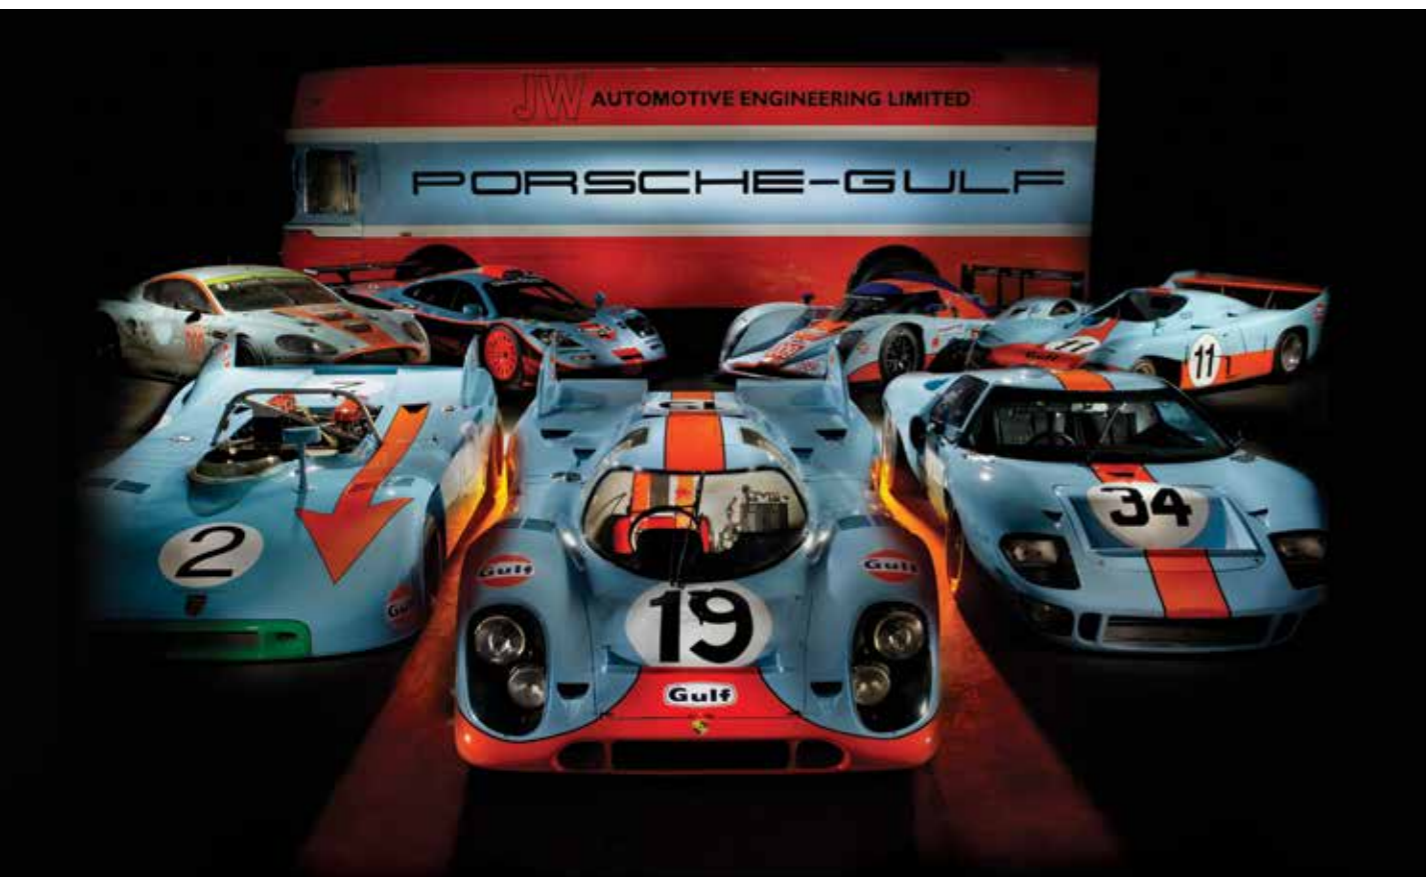

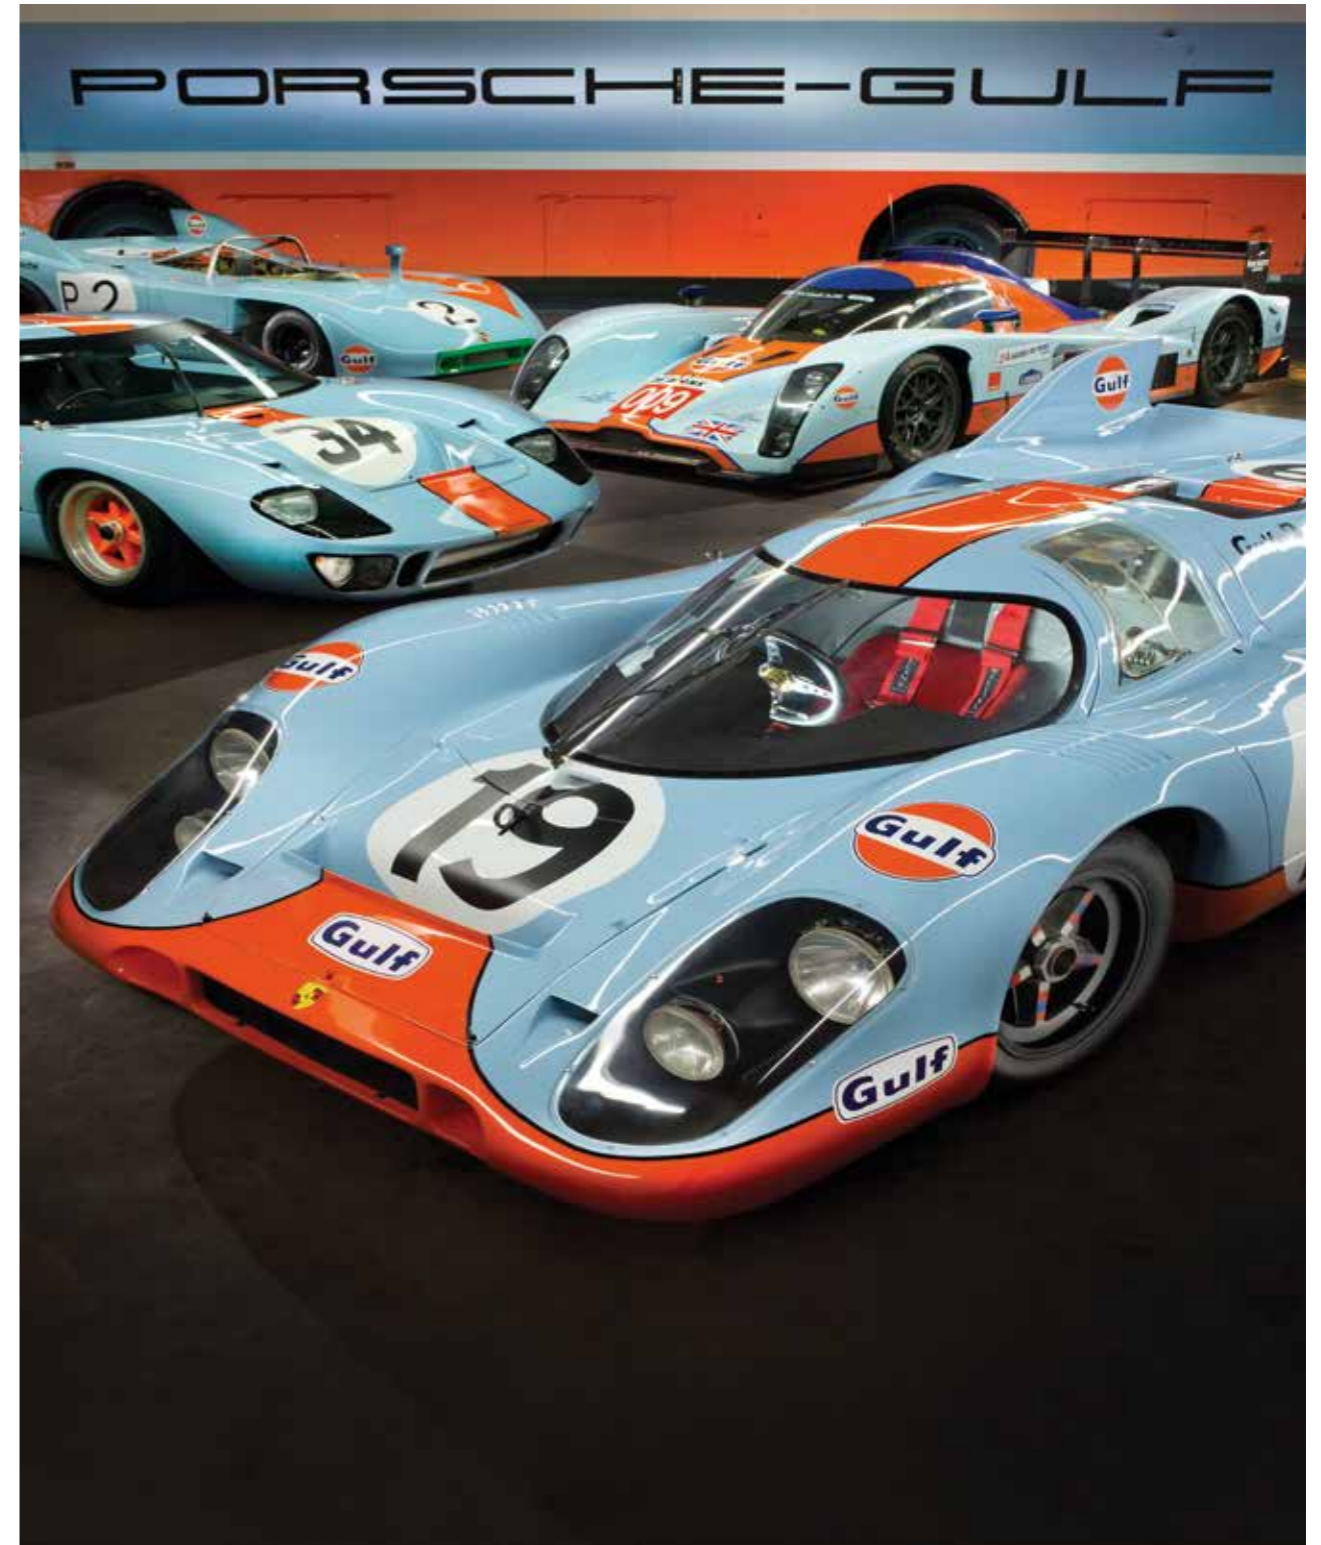

” Ever since when I was a boy seeing those cars in gulf colours racing at Le Mans and elsewhere in the sixties and seventies, I was fascinated by those cars and their drivers, lets not forget it was a time when GT and prototypes races were as big an event as Formula 1, if not bigger, and the Formula One drivers in those days raced in general in Le Mans as well, it was one and the same crowd! And then there was that day when over a nice pub lunch with my very good friend Adrian Hamilton (of Duncan Hamilton) we had that spark of making the iconic gulf livery the central theme of a collection, well and after a record two years it all came together, we couldn't have done it without each-other, sharing the same passion and enthusiasm! ”

*„A lot of people go through like doing things badly.
Racing is important to men who do it well.
Racing is Life. ... everything before and after is just waiting.“*

Steve McQueen, Hollywood actor and passionate racing DRIVER.
